

STRATEGIC GROWTH SERVICES ADVISES OMV

Many congratulations to OMV and Wood teams for signing a Memorandum of Understanding (MoU) to enter into a mutually exclusive collaboration agreement for the commercial licensing of OMV's proprietary ReOil® technology.

Strategic Growth Services ("SGS") is proud to have advised OMV on this historic development to support OMV's vision. SGS has provided a broad range of strategic support including business case development; collaboration road map; global go to market strategy; resource planning and selection support.

John Young, CEO of Strategic Growth Services said "we are humbled that OMV trusted us to support them with this important strategic initiative. Our consultants' experience in building a global business in the energy sector coupled with our understanding of technology deployment, commercialisation and licensing, has been crucial in developing a cohesive and systematic approach best meeting OMV's needs. We look forward to supporting OMV further as the collaboration progresses."
